## Partnership &amp; Renewals

We are increasing the partnership rates in January 2019 by 7%. Six months will be \$80 and one year will be \$137. Rate increases are an unavoidable part of doing business, and we hope to continue to serve our community long into the future. In order to provide the services, programs and spaces that our community relies on, we must take meaningful steps to grow our revenue.

We thank you for your continued support of the Levine Senior Center and look forward to a successful new year.

Take advantage of the lower rate by paying in December. If you would like to pay your 2019 dues in December you will pay the 2018 rates.
